LIFE APP:

INITIATIVE – Seeing what needs to be done and doing it

DO THIS:

MORNING TIME

Say this as you say goodbye to your child this morning, "Find a task that needs to be done in school today and go for it! You rock!"

MEAL TIME

Q & A for kids: What is something you never seem to see that needs to be done? (e.g., dirty clothes on the floor) (*Hint: Your parent probably knows the answer to this if you don't.*)

Q & A for parents: Are you more distracted by people, technology, or other tasks when it comes to finishing a job?

DRIVE TIME

Make a special trip to grab some ice cream or any special treat and tell your child you are going to celebrate! What are we celebrating? Ask them to think about what God has done this week in their life and talk about it while enjoying your special dessert. If they have a hard time thinking of an idea, prompt them with something you have seen!

BED TIME

Read Nehemiah 2:11-18. Brainstorm some things you've seen that need to be done that your family could do together. Maybe it's inviting a new family in the neighborhood for dinner, or cleaning up the trash in an empty lot. Then, don't wait for someone else to do it. Instead, plan a time this week for your family to jump into action. Pray together and ask God to help you follow through.
