LIFE APP:

COOPERATION – Working together to do more than you can do alone

DO THIS:

MORNING TIME

Leave a note in your child's room saying, "God wants us to work together to do more. What can we do together as a family to help each other? Think about it and let's talk at dinner!"

MEAL TIME

Q & A for kids: If you could be a part of a famous sports team, TV show cast, or band, which would you pick?

Q & A for parents: Be honest: when it came to group projects at school, were you the group member who did most of the work, or who let someone else carry the load?

DRIVE TIME

Play a game of "I Spy" in the car. The goal is to spy people working together while on your drive. Think about construction workers, drive-thru workers, ambulance workers. Remind your child that God wants us to work together.

BED TIME

Read Luke 5:17-26. Share about the needs you see in your family, school, neighborhood, or even something you've heard about on the other side of the world. Is there one thing that makes you sad and moves you to want to do something? Talk about things your family could do together to meet that need. Pray for that situation and then choose a time for your family to work together to help meet that person's need.
